Ord Proc

There is a place Vacant in D I.

Rs 65 are available out of the amount sanctioned in Govt No 7081-2 Ed 717-96 dated 9 January 1900.

The Committee of 29 are of opinion that 2 Assistant teachers (one in D I and the other in C 4 50-10) would be necessary if 2 classes are formed. The formation of these classes would not involve any extra charge.

The present proposal seems therefore to deserve sanction. No immediate additional cost is involved & no reference to Government is required.

SIR,

x now before me I In continuation of my letter No 8751/391 of this date and with reference to Reso-

x paragraph lution XIII passed by the Committee of the Maharanis School on the 5th instant I have the honour to inform you that on the formation of two 7 A classes in the School it will be necessary to employ two more teachers, one of whom should be an experienced graduate in class C IV (Rs 50 rising by 10 to 100 by biennial increments of Rs 10) and the other a graduate teacher in class D I (Rs 30 rising to 50 by biennial increments of Rs 4) The pay of the graduate

in Class C IV can be found from the
Rs 65 reserved for the employment of
nun as stated in para 2 of my letter
No 4629/192 dated 21. November 1899. A
suitable nun has not been found
and it is not advisable to appoint
a nun in the Maharani's Girls' School
under the conditions imposed by the
Mother Superior. The appointment of a
nun seems under these circumstances
either not feasible or not advisable.
The number of places in Class C IV is
at present 24, and will have to be
raised to 25 by the appointment of
an additional teacher for the Maha-
rani's School in that class. The cost
of a graduate teacher in Class D I
can be met by appointing the new
teacher in the vacancy that exists
now in Class D I
